POST INSTALLATION	11

Introduction

The release contains the new reminder dialog VA-AES NON-VENTILATOR ORAL CARE TEMPLATE and miscellaneous updates to the VA-AES ACUTE INPATIENT NSG ADMISSION SCREEN.

VA-AES ACUTE INPATIENT NSG ADMISSION SCREEN - Updated

This update will provide the following updates within the VA-AES ACUTE INPATIENT NSG ADMISSION SCREEN:

- Branching logic of C-SSRS changed from suppressing the C-SSRS if completed “today” to suppressing if completed within the past 24 hours.
- Removed the national health factors used within the outpatient tobacco reminder and replaces them with unique health factors with the VA-VAAES name spacing.

VA-AES NON-VENTILATOR ORAL CARE TEMPLATE - New

The new VA-AES NON-VENTILATOR ORAL CARE TEMPLATE will replace the VA-ORAL CARE TEMPLATE released nationally in 2018. The VA-ORAL CARE TEMPLATE will be disabled and will need to be replaced with the new VA-AES NON-VENTILATOR ORAL CARE TEMPLATE. The new template is intended for use for inpatients in the medical/surgical care setting. It may be utilized in other areas but is not mandated. The content is also embedded (and will be updated with installation) within the Shift Assessment template as well as the Frequent Documentation templates that are already connected to the VAAES ACUTE INPATIENT NSG SHIFT ASSESSMENT note title and the VAAES NURSING FREQUENT DOCUMENTATION note title. No additional note titles are required. Sites may choose to use as a shared template and/or embed within existing local templates or attach to a progress note title for use in other areas outside of medical/surgical settings.

Health factors are included and will be collected for nurse sensitive indicators and to determine if there is a correlation between hospital acquired pneumonia (HAP) and oral care. Prevention of 100 cases of non-ventilated HAP provides a direct health care cost avoidance estimate of \$4 million and saves the lives of over 20 Veterans. The VA-AES NON-VENTILATOR ORAL CARE TEMPLATE is sponsored by the Office of Nursing Service.

For questions, contact REDACTED

For more information, visit HAPPEN: [Hospital Acquired Pneumonia Prevention by Engaging Nurses \(HAPPEN\)](#)

UPDATE_2_0_197 contains 1 Reminder Exchange entry:

Install Details

This update is being distributed as a web host file. The address for the host file is:
https://REDACTED /UPDATE_2_0_197.PRD

The file will be installed using Reminder Exchange, programmer access is not required.
Installation:

=====

This update can be loaded with users on the system. Installation will take less than **15** minutes.

Install Example

To Load the Web Host File. Navigate to Reminder exchange in Vista

```
+      + Next Screen  - Prev Screen  ?? More Actions      >>>
CFE  Create Exchange File Entry      LHF  Load Host File
CHF  Create Host File                 LMM  Load MailMan Message
CMM  Create MailMan Message          LR   List Reminder Definitions
DFE  Delete Exchange File Entry      LWH  Load Web Host File
IFE  Install Exchange File Entry     RI   Reminder Definition Inquiry
IH   Installation History             RP   Repack
Select Action: Next Screen// LWH  Load Web Host File
Input the URL for the .prd file: https://[REDACTED]/UPDATE_2_0_197.PRD
```

At the **Select Action:** prompt, enter **LWH** for Load Web Host File

At the **Input the url for the .prd file:** prompt, type the following web address:

https://Redacted/UPDATE_2_0_197.PRD

You should see a message at the top of your screen that the file successfully loaded.

```
https://[REDACTED]/UPDATE_2_0_197.PRD successfully loaded.
```

Search and l

ocate an entry titled **UPDATE_2_0_197 VA-AES NON-VENTILATOR ORAL CARE**
UPDATE in reminder exchange.

```

The following Clinical Reminder items were selected for packing:
REMINDER DIALOG
  VA-AES NON-VENTILATOR ORAL CARE TEMPLATE
  VA-GP AES UPDATE MARCH 2021
  VA-ORAL CARE TEMPLATE

REMINDER TERM
  VA-REMINDER UPDATE_2_0_197

Keywords:

+      + Next Screen  - Prev Screen  ?? More Actions  >>>
IA  Install all Components  IS  Install Selected Component
Select Action: Next Screen// Q
```

You will then be returned to this screen. At the **Select Action** prompt, type **Q**.

Install complete.

Post Installation

1. Make the Dialog able to be attached to a Personal/Shared template or to a progress note title.

From the Reminders Manager Menu:

Select Reminder Managers Menu Option: **CP CPRS Reminder Configuration**

- CA Add/Edit Reminder Categories
- CL CPRS Lookup Categories
- CS CPRS Cover Sheet Reminder List
- MH Mental Health Dialogs Active
- PN Progress Note Headers
- RA Reminder GUI Resolution Active
- TIU TIU Template Reminder Dialog Parameter**
- DL Default Outside Location
- PT Position Reminder Text at Cursor

Select CPRS Reminder Configuration Option: **TIU TIU Template Reminder Dialog Parameter**

Reminder Dialogs allowed as Templates may be set for the following:

- 1 User USR [choose from NEW PERSON]
- 3 Service SRV [choose from SERVICE/SECTION]
- 4 Division DIV [choose from INSTITUTION]
- 5 System SYS [NATREM.FO-SLC.MED.VA.GOV]

Enter selection: **5** *Choose the appropriate number for your site. Your site may do this by System or other levels. The example below uses SYSTEM level*

Setting Reminder Dialogs allowed as Templates for System:

Select Display Sequence: **?**

- 148 VA-VETERANS CHOICE NOTE
- 149 VA-TBI SCREENING

*When you type a question mark above, you will see the list of #'s (with dialogs) that are already taken. Choose a number **NOT** on this list. For this example, looking above I see the number 150 is not present, so I will use 150.*

Select Display Sequence: **150**

Are you adding 150 as a new Display Sequence? Yes// **Y YES**

Display Sequence: 150// **<Enter>** 150

Clinical Reminder Dialog: **VA-AES NON-VENTILATOR ORAL CARE TEMPLATE**

then **<enter>** reminder dialog NATIONAL

OK? Yes// **<Enter>** (Yes)

2. Associate the new reminder dialog with a shared template in CPRS

To do this, go to Template Editor, then Shared Templates, select the appropriate folder (if applicable), and choose **New Template** (top right-hand corner).

Type in the following information:

Name: **VA-AES NON-VENTILATOR ORAL CARE TEMPLATE**

Template Type: Reminder Dialog

Reminder Dialog: **VA-AES NON-VENTILATOR ORAL CARE TEMPLATE**

Next, select Apply.

3. Remove the **disabled** VA-ORAL CARE TEMPLATE from Shared Templates and/or attached progress note titles. If you are unfamiliar with where VA-ORAL CARE TEMPLATE may be used, consider using the “Find Shared Template” option within the Template editor within CPRS. *Prior to using this option, PLEASE NOTE: This option will search by the name of the shared template and not the name of the associated reminder dialog. Therefore, you may want to use “Oral Care” in search. Also, please be aware it will take time to run this search as it searches all of the shared templates.*

From the Template Editor, Click on action menu and select “Find Shared Templates”. Enter Oral Care and click Find

When a shared Template is found, verify that it is associated with the reminder dialog **VA-ORAL CARE TEMPLATE**. If VA-ORAL CARE TEMPLATE is associated, remove and associate with **VA-AES NON-VENTILATOR ORAL CARE TEMPLATE**. Click “Apply”.

Click Find Next and repeat step above until all VA-ORAL CARE TEMPLATES have been found and replaced.

4. Perform a Reminder Dialog Search to determine if the dialog group called **VA-ORAL CARE GP TOUR** has been added as a sequence to any of your site's local reminder dialogs. If found, replace dialog group **VA-ORAL CARE GP TOUR** with the new dialog group **VA-AES GP NON-VET ORAL CARE**.

To determine if the VA-ORAL CARE GP TOUR group resides within any of your site's local templates, use the Reminder Dialog Search Report (SEA) option.

(Reminder Dialog Management → Dialog Reports)

- a. Select Reminder Dialog Management <TEST ACCOUNT> Option: **^sea Reminder Dialog Search Report**

Search for coding system? N// O
 Search for Finding Item(s) used in dialog component(s)? N// O
 Search for specific Reminder Dialog component(s)? N// **y YES**
 Select Dialog Definition: **VA-ORAL CARE GP TOUR** dialog group NATIONAL
 ...OK? Yes// (Yes)

Select Dialog Definition:
 Search for Reminder Dialog by CPRS parameter(s)? N// O
 Display match criteria on the report? N// y YES
 Browse or Print? B// p Print
 DEVICE: HOME// ;;999 VIRTUAL TELNET

Clinical Reminders Dialogs search report.
 Reminder Dialogs:

Dialog: **NURSING-REHAB ADLS**
 Match Criteria:
 Dialog : VA-ORAL CARE GP TOUR

- b. For each local dialog found, replace the group titled VA-ORAL CARE GP TOUR with the group VA-AES GP NON-VET ORAL CARE.
5. Verify **Oral care for Non-ventilated patient selection** has been updated within the **VAAES Acute Inpatient Nsg Shift Assessment** and **VAAES Nursing Frequent Documentation** progress notes.

In the templates, click on Activities of Daily Living → Oral Care → Non-ventilated patient

Reminder Dialog Template: VA-AES ACUTE INPATIENT NSG SHIFT ASSESSMENT

ACTIVITIES OF DAILY LIVING:

Hygiene ADLs:

Dressing:

Eating:

Foot Care:

Hand Hygiene:

Oral Care:

Non-ventilator patient:

Oral care swabs and toothettes are not a substitute for toothbrushing and are designed for one time use for patients without any teeth. Reports of mouth pain are evaluated and documented in the physical assessment section and a dental consult should be requested if needed.

Patient's teeth brushed:
